This picture was taken on a very windy day in September on the Danish island of Ærø. The sea is a blue-green colour with white foam. In the light grey sky, a little blue shines out between the cloud banks. The autumnally-coloured, ochre-coloured grass bends in the wind. At the front edge of the picture, the light blue flowers of a chicory plant can be seen. The oil paint is applied with a palette knife and the impasto colour application gives the picture dynamism and plasticity.

Original painting 2022, hand-signed. Oil on canvas, stretched on stretcher frame. Stretcher frame size 80 x 100 cm (h/w). Framed in silver-coloured solid wood shadow gap frame. Size 85 x 105 cm (h/w).
