

Freddy de Waele: Sculpture "Tree of Joy", bronze

€2,380.00

Product no.: IN-888789

The Belgian Freddy De Waele has been working with figurative design for a long time. His expressive sculptures often have something childlike, light and playful. In his "Tree of Joy," he shows happy children climbing a tree and thus refers to the joy of simple things.

Sculpture in fine bronze, patinated and polished with oak base. Hand cast using the Lost-Wax-Process. Limited edition of 75 copies, numbered and signed, with certificate. Size 65.5 x 38 x 18 cm (h/w/d). Weight 3 kg.
