

Kurt Arentz: Artist's Biography "His Life, His Works"

€49.00

Product no.: IN-944432

Kurt Arentz (1934-2014) is recognised worldwide as one of the most significant animal sculptors of our time. Like few others, he succeeded in delving into the true essence of the animal. The great popularity of his nature studies is based on their strong expressiveness, as well as on their carefree cheerfulness.

The artist's biography offers an insight into the life of this extraordinary artist on 112 pages. It shows his beginnings up to the discovery of his art and his successes. Berg & Feierabend Verlag GmbH & Co. KG, author Anna Hanrahan, 2022. Size 28.5 x 21.5 cm (h/w). Language: German.
